President's Message

As I write this message, the two-person exhibit by Lorraine Dey and Patricia Zilinski is coming to a close. This show is a delightful pairing of two talented and award winning artists. At first glance, the viewer notices the commonalities that exist in the subjects themselves: water, sky, and clouds. But upon greater reflection, the different approaches and mediums are noteworthy to this viewer. One thing is certain: both are supreme colorists. What a talented duo!

Next up in our Main Gallery is the Summer Show of Painters, on display from June 28 to July 30. The reception is on Sunday, June 29th from 3:00 until 5:00. This exhibit, open to all Guild members using a painting medium, is traditionally a very strong one.

Keep in mind that our Lobby Show changes monthly as well. Exhibiting there is one of the perks for those who have elevated their membership status to Associate or Exhibiting through our Semi-annual Portfolio Review which occurs in November and May.

Although we usually save our Studio Gallery exhibiting space for artwork by students in our classes, this July and August we will feature the *Art of Guild Legends*, some samples of which appear below. In July and August, we will exhibit the work of these artists in our studio, then, we will make their art available for purchase through a silent auction that extends through August. The monies raised by the sales of these pieces will help to provide the funding we seek for a documentary about the history of the Guild by award winning film maker, Erin Fleming.

So grab a piece of Guild history and help us share the history of our nonprofit organization. There are stories here that must be told. We salute the Guild's History Committee for all the work that has been done to prepare both a book devoted to Guild history, and the framework for the documentary soon to begin. Thank you to Vicky Culver, Mary Polese, Suzanne Parmly, and Natalie Kadash for your dedication and efforts.

Membership and classes are two important sources of income that help us to pay our constantly increasing bills. At the end of last year, we had close to 400 members. This year, so far, we have around 330. We are slightly ahead of last year's pace as members slowly renew. If you have renewed your membership, we so appreciate your support. If you have yet to renew, click [HERE](#), to do so online. If you prefer, send a check, or call us, but please renew today. We are facing some necessary major upgrades to our automatic doors and the alarm system. So please help if you can.

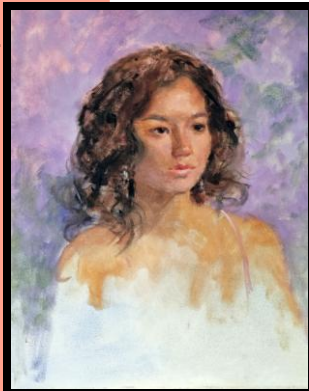

I would like to offer a shout out to all of our stellar teachers. Happily, our classes are growing larger in numbers. We offer a variety of classes for beginners to advanced, from teens to adults.

Thanks to Patrick Dorgan who shared his voluminous knowledge in a one-day workshop this past May on *Discovering the Power of Color*. Look for more from Patrick in the future. We welcomed Carole Rogers, who is teaching a class in pastel for beginners on Fridays from 10:00 to noon. Her class concludes on June 27th but look for her in the future as well. Megan Gilhool will present one-day classes on Pour Painting on July 17 and again on July 29 from 6:30 – 8:30 PM. Her July 22 class is sold out! Whether you want to improve your skills or just have a good time, take one of our classes. They are second to none. Call the Guild or click [HERE](#) to register online.

Finally, I would like to congratulate the Guild of Creative Art and the James T. Gary Foundation 2025 Scholarship Winner, Marisa Amitie, from Wall Township High School. This scholarship is presented to a high school senior in Monmouth or Ocean County who plans to major in the visual arts in an accredited college or art school in the fall of 2025. She was chosen from an outstanding group of student-artists, and will receive her award at our August 3rd reception. Congratulations, Marisa.

"Where do I begin? This artist has complete control over the watercolor medium. The pipers are intricately detailed, wonderfully sculpted and arranged in a circle that clearly defines that space. Plus, the light background and negative space behind form an effective contrast to them."
